"THE SECRET OF  
CHANGE IS TO FOCUS  
ALL OF YOUR ENERGY,  
NOT ON FIGHTING THE  
OLD, BUT ON BUILDING  
THE NEW."

### HAPPY NEW YEAR!

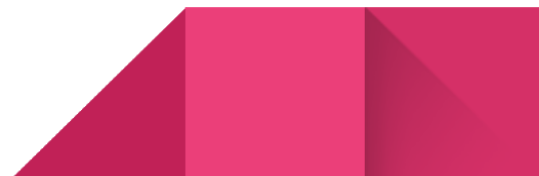

Thank you for all you have done (again) to make the power of God real in the lives of so many! *Prayer Everywhere* is impacting families and destinies around the world every day. The prayer portals that are opening through this ministry are exponential!

*The Praying Place* is launched and will begin its schedule of services January 2019. We will host *The Praying Place* at *Garden Plaza Senior Living Center (Ooltewah, TN)* monthly. We will sponsor *Vertical Worship (Hercules, CA)*, a weekly multicultural, Millennial led prayer and praise encounter. *The Gathering* returns to Chattanooga with greater glory and power!

*Prayer Everywhere Publishing* is preparing products and spiritual resources. The “home-based prayer ministries” of our partners are our newest and fastest startups. *Prayer Parties* are being hosted weekly around the nation. Our prayers are featured daily on the largest Christian radio network in California (101 cities). We host “*Bay Prays*” (California), weekly, high intensity intercessory group trained in spiritual mapping and strategic spiritual warfare.

Intercessors receive and respond (in real time) to daily prayer requests and praise reports. We have nearly 50,000 visits to *The BLOG*. We help sponsor a 24 hour a day *Emergency Hotline Prayer Call*. *The National Prayer Call* has reached into over 200 cities. We have inspired and are the model for over a dozen prayer calls. We are the host of *The 21 Hour International Prayer Marathon*.

## VISION and DIRECTION

THE PRAYING PLACE

### THE WORLD PRAYER CONGRESS

One of the constant themes and dreams that was announced and agreed upon by the delegates and the dream teams that assembled was the imperative to saturate the upcoming generations in the passion for prayer and in the vision of Prayer Everywhere.

We are offering to our Prayer Everywhere Partners and Friends the opportunity to help cover in prayer and support in resources the beginning of a prayer movement that is for young people by young people. *Vertical Worship* is to host an event of pure worship that is a life-changing encounter with God. It will be contemporary and intercessory. It will be acoustic and anointed. It will be multicultural and millennial in its methods.
